

*Sanctuary Retreat is an accredited Eco-lodge set in the heart of lush tropical rainforest at Mission Beach, N. Queensland.*

## Accommodation and Rates

Accommodation is in secluded Forest Huts and deluxe Canopy Cabins nestled in the rainforest canopy. In keeping with the Sanctuary low impact philosophy, buildings are designed and constructed to ensure that the vegetation and bird life is disturbed as little as possible.

Whilst Sanctuary can accommodate a maximum of 46 guests, there is no minimum number of participants required to hold a Yoga Retreat. There are 16 beautifully simple Rainforest huts with shared bathrooms that accommodate up to 32 participants, while the 7 deluxe Canopy Cabins with private en-suites can accommodate up to another 14. All accommodation sleeps two per room in either two single beds or one double bed or can be taken as sole occupancy

**Sanctuary offers two contrasting styles of accommodation, both styles are built on stilts to have less impact on the rainforest floor and to look out into the tropical rainforest canopy.**

### Rainforest Huts

If your chosen accommodation style is Rainforest Hut, you will find it of minimalist design maximising the sights, sounds and smells of the rainforest. Without solid walls, your hut has screened walls so you may choose 360° views of the rainforest or use the weather-proof curtains for privacy. You will find a small veranda and access to natural drinking water, while all bathrooms are shared in the main longhouse. All linen and blankets are provided except towels. There is also a communal self-catering kitchen in the longhouse all guest's use.

### Deluxe Canopy Cabins

For those who like their creature comforts the Canopy Cabins have been designed to allow you a close rainforest experience, while allowing you to keep the simple comforts of home.
