THE YOGA STUDIO

The dedicated yoga space is high-set amongst the surrounding rainforest. This Retreat space can be used as the communal space for all sorts of retreats here at Sanctuary, for yoga practice, contemplative meditation, workshops, and dance.

Perfectly placed away from the accommodation and main buildings of Sanctuary. The room is 85 m² in size, has soft sprung polished timber floors, with long louvered windows and ample wall space. We've found that this space works well with a maximum of 20-25 people practising yoga at one time or with 40 people in seated meditation.

The space is well-equipped with yoga mats, blocks, straps, blankets, bolsters and eye bags. It also has about 15 chairs, a 40" inch flat screen, DVD and MP4 player and a sound bar.

Rates – Hire of the space is \$100-/day, for 10 hours of use between 8.00am-9.00pm.

Discounts on the tariff of the Yoga Studio relate to the number of participants you bring to the space. There is 25% discount if you have 15 or more participants, 50% discount if you have 20 or more participants and 75% discount if you have 30 or more participants.
